#### No. 1 Admission Competition Rate for 2024 Freshmen

Highest among 4-year comprehensive universities in Jeollanam-do (3.9:1)

#### No. 1 Employment Rate among National Comprehensive Universities

63.8% Employment Rate (Honam and Jeju regions, 2023)

#### A-Grade in National University Development Program

Total Project Funding of 10.44 billion KRW, including Incentives

#### 100% Overseas Employment Success for Four Consecutive Years

Top 3 in Entrepreneurship Excellence

#### Ranked 3rd Nationwide for Startup Achievements among Top Universities

Achieved 3rd Place in the 2023 Korea University Excellence Awards for Startup Performance

MNU at the Heart of Jeollanam-do's Future: Driving Innovation, Energy, and Education

#### 8.2GW Offshore Wind Farm Development (In Progress)

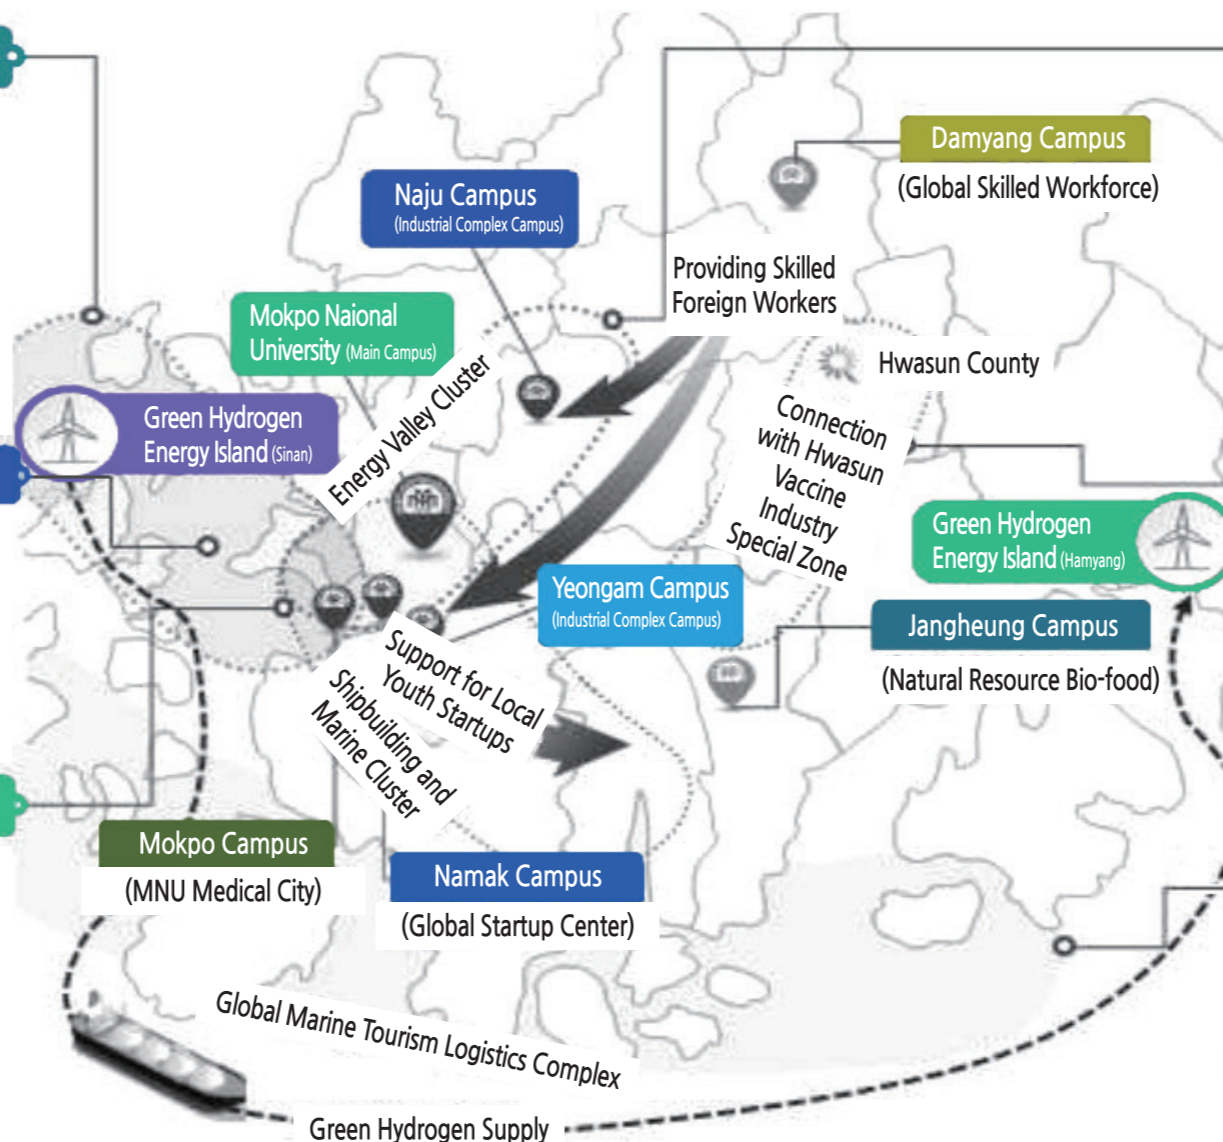

- **Period:** 2020-2030
- **Scale:** KRW 48.5 trillion in investment; creating 450 corporate spaces and 117,506 jobs
- **Project Details:**
  - Construction of large-scale offshore wind farms and energy production bases (KRW 600 billion/ Private Investment)
  - Development of a marine industrial complex (Mokpo New Port, etc.) (KRW 45.4 trillion/ Private Investment)
  - Expansion of offshore wind energy ports in Mokpo and Sinan (KRW 218 billion/ Ministry of Oceans and Fisheries)

#### Comprehensive Plan for Hydrogen Industry Development in Jeollanam-do

- **Status (as of 2023):**
  - Period: 2022-2031
  - Investment: KRW 19,346 trillion (creating 110,000 jobs)
- **Project Details:**
  - 8.2GW offshore wind power; Energy Island ↔ Green hydrogen production facilities
  - Green hydrogen supply ↔ Gwangyang Industrial Zone: Steel and petrochemical Industries

#### 2nd Shipbuilding and Marine Industry Cluster

- **Status (as of 2022):**
  - Companies: 57 corporations
  - Employment: 22,408 jobs
  - Investment: KRW 7,4232 trillion
- **Innovation Institutions:**
  - Korea Research Institute of Medium & Small Shipbuilding, Jeonnam Daebul Industry-Academia Convergence Center, Jeonnam Technopark (Shipbuilding Industry Support Center)
- **Key Players:**
  - Hyundai Samho Heavy Industries, Daewoo Shipbuilding & Marine Engineering, and other top-tier domestic shipbuilders

#### Energy Valley Cluster Development

- **Companies:** 446
- **Employment:** 10,702 jobs
- **Investment:** KRW 3 trillion
- **Designated Infrastructure:**
  - Recognized as a National Innovation Cluster (2018.11)
  - Designated as a Free Energy Industry Zone (2019.11)
  - Established as an Energy Valley Specialized Growth Base (2020.8)
- **Major Organizations:**
  - Korea Electric Power Corporation (KEPCO), Korea Hydro & Nuclear Power, and 16 affiliated research institutions
  - Korea Institute of Energy Technology (KENTECH)

#### Bio-Medical Hub and Industrial Complex

- **Medical Sector:**
  - Korea's only Hwasun vaccine industry special zone (10-year designation)
  - Promotion of Designation as a national advanced medical complex (KRW 1.1 trillion)
- **Industrial Sector:**
  - Development of Jangheung natural resource Bio-food industrial complex
  - Establishment of agricultural research complex for climate change adaptation

#### Marine Tourism and Agricultural Industries on Jeollanam-do's Islands

- **Marine Tourism:**
  - Jeollanam-do holds 65% of Korea's islands (2,200 islands total).
- **Agricultural Sector:**
  - Top-ranked agricultural and fisheries production nationwide
  - Nationwide No. 1 in eco-friendly livestock product supply
  - Specialized smart farms and innovative agricultural initiatives

# MNU Online Degrees: Tailored to Meet Your Global Needs

## The Vision of Global Korean Studies Program at MNU

At Mokpo National University, we are dedicated to supporting international students and individuals passionate about Korea by providing seamless access to the Korean language, culture, society, and environment. To achieve this, we offer comprehensive online degree courses to help students master the Korean language and gain an in-depth understanding of Korean culture.

In particular, we provide specialized educational programs for young adults overseas who aspire to work in Korea. These programs focus on equipping participants with essential Korean language skills early on, ensuring a smooth adaptation to life in Korea upon their arrival.

Mokpo National University is committed to successfully operating a localized, settlement-focused "Glocal Study System" while striving to expand its reach internationally.

Comfortable and Spacious Dormitories (Accommodating 1,600 Students)
